

DEAREST GUEST AND DEAREST FRIEND

WELCOME

to my restaurant. October 2010 marked my 28th year in business in Australia and the 16th birthday of this restaurant.

I am extremely proud of my achievements which would not have been possible without the help and support of my best friends: my customers.

As you are probably aware I have maintained the reputation for outstanding authentic Italian food, live entertainment and unforgettable functions as well as our famous Opera Night.

I take pride in giving you the freshest products with fast and courteous service at the right prices. I will always welcome any suggestions or improvements to my establishment.

Thank you for taking the time to read about Alfredo's Authentic Italian restaurant.
